“M” Rate - Multiple Occupancy Residential, Commercial, Industrial, Institutional and Mobile Home Trailer Parks:

One minimum, as provided above for the applicable “S” or “C” rate, will be charged for each occupant, or mobile home trailer space. For each minimum charged, the customer will be entitled to two thousand (2,000) gallons of water. After this minimum volume has been reached, the applicable “S” or “C” rate over 2,000 gallons shall apply.

In no event shall the minimum bill be less than the applicable “S” or “C” rate minimums, except for mobile home trailer parks that have a master meter agreement with the DISTRICT.

“E” Rate - Water Exported Offshore
